Kayo : I see. How long have you studied Japanese?

John : I've studied it for three years. It's still difficult for me to read and write *kanji*. What do you usually do in the morning, Kayo?

Kayo : I usually listen to an English program on the radio in the morning. I want to use English for my job in the future, so I listen to it every day from Monday to Friday.

John : That's nice.

Kayo : I think it's great to use your free time in the morning to learn something you like.

John : I agree. By the way, are you free after school?

Kayo : Yes. What's up?

John : I have math homework, but I can't answer some questions. I need your help because you're good at math.

Kayo : OK. Actually I haven't finished it yet. Let's do it together.
