Let's start.

Hello, Rina. This is Emily. Today, our class had a meeting about the volunteer experience program next Thursday. You were not there because you took part in the English speech contest. I'm calling to let you know about the program.

Well, we're going to go to Sainokuni Elementary School. The program will start at nine o'clock, so we'll meet at City Hall at eight thirty. Remember to bring your own lunch and something to drink.

We're going to play with the school children outside and read a story. Actually, I'm worried about reading to the children. I think we should practice reading before the program. There are three more days until then. Why don't we practice together on one of those days? I can practice from eight o'clock in the morning. OK, now, I'll go to City Library to find some books to practice reading stories.

When you hear this message, please call me back. I hope to talk with you later. Bye.

Question 1 : Where will Emily and Rina meet first on the day of the program?

Question 2 : What is Emily going to do before the program?

Question 3 : Which is true about the message?

Taku : My family is planning to have a picnic next Sunday. We'll leave my house at ten. My parents told me to bring some friends. Can you join us?

Anna : Well, I want to join, but I have a piano lesson from ten to eleven in the morning. I can join you after the lesson. Is that OK?

Taku : Of course. We're going to Musashi Midori Park. Do you know where the park is?

Anna : No. I've never been there.

Taku : OK. It's not far from our school. It's next to the station.

Anna : Oh, I see. I'll go there by bike. What do I need to bring?

Taku : Don't worry. You don't need to bring anything, but you can bring something like snacks or drinks if you want. Do you have any other questions about the picnic?

Anna : Well, can I tell my friends about this picnic? Maybe some of them will join us.

Taku : Yes. That'll be fun. Let me know who will join us by this Friday.

Anna : OK. I'll let you know by then.

Today, I'd like to talk about my favorite thing: my guitar. When I was eight years old, my family and I went to a guitar concert. The sound of the guitar was wonderful. I wanted to start playing the guitar. A few years later, my father bought me a new guitar as a birthday present. I was so happy. Now I practice the guitar every day.
