Let's start.

Welcome to the zoo bus tour. Our tour is about forty minutes long and you can't get off the bus during the tour.

You'll meet some amazing animals. First, you'll see the American black bear. They live in Canada, America and Mexico. Today, we're going to give them some apples from the bus. Second, you can see lions. Most lions walk around at night, so they sleep during the day. Sometimes, they sleep in the tree. If you are lucky, you can see that. Third, you'll see some elephants. The Asian elephants and the African elephants are here. The elephants that have bigger ears are the African elephants. They are good at swimming. They're very cute. You can see many other animals on the tour, too.

At the end of the tour, the bus will stop at "the Animal Park." It's very popular with children because you can play with some of the animals. There, you can take the bus to the station every twenty minutes. It takes about ten minutes to the station. So you can stay there as long as you like. Have a good time with the animals.

Are you ready? Let's go!

Question 1 : How long does the bus tour take?

Question 2 : What can the people on the tour see if they are lucky?

Question 3 : How many times does the bus to the station run each hour?
